**To:** Kim Matherne  
**Subject:** RE: ATA

If we used the same percentages as the first 8 months, it would be what I sent you, but this is fine.

ATA is back on.....Marketa wants names and phone numbers for each of the two providers so she can contact them (so I don't need you to do it). Also – get the emergency contracts ready to go through June 2016. Need to know the total of each emergency contract too.
